LOVE IS IN THE AIR AT PORT ROYAL JEWELERS

Love is in the air in February. It's a time to celebrate love and William Boyajian, *JEWELRY ARTISAN* and owner of *PORT ROYAL JEWELERS* gets it. He lives it through his dedicated work designing and creating jewelry onsite in his 5th Ave. South store. He has collaborated with many clients to create their dream piece. Here are some of his new pieces, perfect to gift to your loved one this Valentine's Day ...
